

Autumn Newsletter 2011

Dear GWCB friends,

As the band starts its 2011-2012 season and delves into a busy holiday performance schedule I pause briefly to reflect back at our highly successful and enjoyable "Blue Rhapsody" Concert held on Sept. 25th. It was a magical afternoon that gave us the privilege to celebrate with The Make-A-Wish Foundation of Southwestern Ontario as they hit their milestone of 25 years of wish granting in the area. Special thanks again to Ric Moor, Alde Calongagong, Trevor Pittman, guest performers and band members for the incredible work that day.

I'm very pleased to announce that we have just released the archival CD from this concert so be sure to get your copy to add to your growing GWCB CD library!
