

Fall Newsletter 2009
www.greaterwindsorconcertband.ca

Welcome to the Greater Windsor Concert Band's 13th amazing season. Time truly does fly when you're having fun and we've been fortunate to have you along for the ride. It was an incredibly busy but rewarding summer for the band, ever resilient in our quest to bring music to you, our faithful audience and supporters.

Coming up next is our fall concert on Sunday November 1st, with guest artists "*Key of G*" featuring Mr. Gabe Gagnon and his family. The band has been diligently rehearsing and preparing for this exciting performance and we hope to see you all there! Please see the other side of this newsletter for concert details.

"Please Don't Stop The Music!"

As a not-for-profit, volunteer organization, all funds raised by the GWCB go directly back to the band, mostly to offset costs of performances and to purchase or repair our instruments and equipment. Many of you got a chance to see one of our most recent purchases this year, our own trailer, which has saved us truck rental fees for hauling our equipment to each venue. We have fundraisers planned through the year such as chocolate bar sales, Zehrs tape collection and pasta/steak dinners that I encourage you to support. Annual financial sponsorship is another worthy consideration. Most importantly and above all else, seeing you at our concerts is what sustains and encourages us. We are your friends, neighbours, teachers, skilled labourers, engineers, postal workers, health care professionals, students and retirees...all enjoying the chance to speak that universal language of music. Under the direction of Ric Moor, we stay dedicated in our creative efforts to "play on".
